

Supernova Open Meeting 2010

Blithfield Sailing Club

5th June 2010

SAILING INSTRUCTIONS

1. RULES

1.1 The series of races will be governed by the "rules" as defined in the Racing Rules of Sailing (RRS), The prescriptions of the RYA, the Notice of Race, the rules of Blithfield Sailing Club and the requirements of South Staffordshire Water PLC.

1.2 "Major components" supplied by both Giles Reinforced Plastics Ltd and Hartley Laminates shall be deemed to meet the One Design nature of the Class.

2 NOTICES TO COMPETITORS

2.1 Notices to competitors will be posted on the official notice board located near the race box.

3 CHANGES TO SAILING INSTRUCTIONS

3.1 Any changes to the Sailing Instructions will be posted at least 30 minutes before the warning signal of a race it will affect. The race committee reserves the right to amend the racing programme subject to prevailing conditions, within the requirements of paragraph 6.2 of these sailing instructions.

4 SIGNALS MADE

4.1 Signals made may be displayed on either the flagstaff adjacent to the race box or may be displayed on the committee boat of Blithfield Sailing Club.

4.2 Flashing Light. When the amber flashing light on the OD box is activated, all boats shall return to the Club House shore immediately. If a race is in progress, this light shall have the same meaning as Flags 'N' over 'H' - Race Abandoned, further signals ashore.

4.3 *House Flag* flying - means that boats may be launched. Boats launching when the *House Flag* is not flying will be scored DSQ by the race committee in the race sailed closest in time to the incident. This amends RRS 63.1 & Appendix A5

5 SAFETY, DISCLAIMER OF LIABILITY & INSURANCE

5.1 A boat is entirely responsible for her own safety, whether afloat or ashore, and nothing, whether in the Notice of Race or Sailing Instructions or anywhere else, reduces this responsibility. It is for the boat's crew to decide whether she is fit to sail in the conditions in which she will find herself.

5.2 By launching or going afloat, the boat confirms that she is fit for those conditions and that her crew is competent to sail and compete in them.

5.3 The boat is required to hold adequate insurance and in particular to hold insurance against third party claims in the sum of at least £2,000,000.

5.4 Nothing done by the organizers can reduce the responsibility of the boat, nor will it make the organizers responsible for any loss, damage, death or personal injury, however it may have occurred, as a result of the boat taking part in the racing. The organizers encompass everyone helping to run the race and the event, and include the organising authority, the race committee, the race officer, patrol boats and beach masters. The provision of patrol boats does not relieve the boat of her responsibilities.

5.5 Flag Y will not be flown. Buoyancy Aids are mandatory; all competitors whilst afloat shall wear adequate personal buoyancy. Wet suits and dry suits are not adequate personal buoyancy. This amends RRS 40.

5.6 The race committee and its patrol boat crews are empowered to compel a competitor to receive significant outside assistance, or return to the shore, when they deem a situation, where safety is put at risk. The right of a competitor to seek redress under the RRS is withdrawn under these circumstances. This amends RRS 62.1 This provision does not limit the responsibility of the competitor.

5.7 Patrol Boat(s) - All power boats engaged in safety duties in the sailing area shall rank as an *obstruction* as defined in RRS Definitions. In addition the water between a power boat and the dinghy(ies) to which she is standing by shall also rank as an *obstruction*.

OUTSIDE HELP

5.8 Outside Assistance: A crew that is recovered from the water by another boat (racing or not) does not break rule 41 provided the crew's boat is in the same area as the recovery when they are reunited. Receiving help to right a capsize or having made progress in the race when a recovered crew is reunited with their boat **does** break

rule 41. Any occurrence of help must be reported to the race office. It is the Protest Committee who shall then decide the appropriate action. The sailing instructions provide that the penalty is at the discretion of the Protest Committee. The Protest Committee will not penalise actions based solely on safety.
