## The Culinary Art of the "Wet Wok"

All of us at the "Wet Wok" Restaurant have a real love of Peking, Szechuan and Cantonese cuisine and we would like to share the pleasure and excitement that it gives us with you. We hope to have the opportunity of suggesting new dishes to complement those that you already know.

There are many exotic eating experiences that lie in store for you. It will be our pleasure to unlock those magical moments and bring to you a whole new world of taste and satisfaction.

Cantonese cuisine is a way of life for us and we would be delighted to tell you more about it's special qualities.

We hope that you will enjoy the 3 great pleasures of a special eating experience - the anticipation - the enjoyment and the memory of magnificent food cooked with love and offered with the "Mayfair touch".
