Chelmarsh SC	Open to members, members guests, Pre-booked coaching and RYA courses, Open meeting visitors Foremark fishery visitors. Travelling to the site.	Spreading and contracting of Covid-19 when travelling to the club and whilst on site.	Direct and indirect consequences increased circulation of virus. Increased likelihood of further transmission of infection	Do not visit the site if you are feeling unwell or you or anyone in your household are displaying symptoms associated with Covid-19 It is recommended that those that are clinically vulnerable should consider their own individual risk not visit the site under the current circumstances. Anyone visiting the site is asked NOT to travel with anyone outside of their own household/bubble. Park considerately to allow adequate space to maintain social distancing measures Whilst on site, maintain social distancing of 2m from all other persons outside of your household/bubble or 1m+ with mitigating controls as per government guidance.
Chelmarsh SC	Whilst on site	Infected persons attending Chelmarsh SC, known or without symptoms.	Increased likelihood of further	All visitors/guests must be signed in using open meeting entry forms on

			transmission of infection	<p>Web Collect. (for non members or non-competitors)</p> <p>Test and trace information shall be captured and retained for 21 days. Anyone that has visited the club and later tested positive for Covid-19 within 10 days of their visit should inform the club immediately. The club will then inform all members and visitors.</p>
Clubhouse and Changing room and showers	<p>Changing room and showers will remain closed to all users until further notice.</p> <p>Entrance and exit from the clubhouse.</p> <p>Galley and bar service areas.</p> <p>Payment for food will be by web collect on race entry</p>	Spreading of Covid-19 through high contact areas and being in close proximity to others whilst indoors	High likelihood of transmission of infection if an infected person is present.	<p>The changing rooms and showers will remain closed to all users in line with current guidance. Visitors should arrive and depart in sailing kit if at all possible. If there is a need to change on site, please do so discreetly out of the way of other visitors and changing should be kept to a minimum to allow safe travel home.</p> <p>There is a one-way system in operation please obey the signage inside and outside the clubhouse.</p> <p>Please only use the service areas as indicated outside the club</p> <p>The club operates non contact payment via web collect</p>
Toilets available in Clubhouse /in WC block	Open - with restrictions to number of users limited to two persons at any one time.	Spreading of Covid-19 through contact with high contact areas (handles, taps etc.)	Increased likelihood of transmission of infection	<p>Toilet facilities limited to a maximum of two persons at any one time.</p> <p>Entrance doors to be fixed 'open'</p> <p>Wash hands using soap and water after using toilets.</p>

				<p>Face coverings should be worn indoors.</p> <p>Everyone on site is encouraged to consider their own protection and provide their own gloves, face coverings and hand sanitizer when using any indoor facilities.</p>
Rigging areas	Open – adhering to social distancing and government guidance	Spreading and contracting of covid-19 from others rigging in the dinghy park	Increased likelihood of further transmission of infection	<p>Depending on numbers on site, allocation of specific rigging areas may be necessary in order to maintain social distancing and restrict numbers gathered in one area.</p> <p>Visitors should respect and adhere to their allocated area for rigging and maintain social distancing at all times.</p> <p>No cars to be parked within the dinghy park.</p> <p>Cars are permitted inside the dinghy park for loading/unloading only and should be moved to the car parking area as soon as possible.</p> <p>Hand washing facilities are available front and back entrances to the clubhouse</p> <p>All those on site are requested to use gloves/hand sanitizer for their own protection whilst on site.</p>
Launching and recovery	Under guidance- to restrict numbers and maintain social distancing	Spreading and contracting of covid-19 from others launching in the launching area	Increased likelihood of further transmission of infection	<p>Competitors will be issued a launching and recovery flag colour relating to their rigging area zone. Competitors should only launch/return to shore when their</p>

				<p>corresponding flag colour is flying. Competitors must understand that this process may be more time consuming than under usual circumstances and everyone taking to the water is asked be considerate, courteous and respectful to others whilst launching and recovering. Full co-operation is the only way that we can ensure that open meetings are run safely and meet government guidance.</p> <p>All trolleys must be clearly marked with the sail number and when supplied the launch flight colour.</p>
Safety Cover	Essential safety cover only	<p>Spreading/contracting covid-19 from equipment</p> <p>Spreading/contracting Covid-19 when rescuing.</p>	Increased likelihood of further transmission of infection	<p>Essential safety cover is defined as when a sailor is unable to retrieve a boat safely themselves and life is at risk. No equipment will be rescued until conditions allow for it to be safe to do so by the safety team. All those on site must do what the safety team instructs at all times for their and the safety teams own safety.</p> <p>Anyone taking to the water must only do so in conditions that are within there own capabilities to sail in and must be confident of their own ability to self rescue in the event of a capsize.</p> <p>All craft and equipment should be in good condition at the time of launching.</p> <p>Failure of equipment not only puts yourself unnecessarily at risk but</p>

				<p>others too!</p> <p>In the event of a rescue. You should do exactly as instructed by the safety crew.</p>
First aid	Administered as necessary	Spreading of Covid-19 through high contact areas and being in close proximity to others	Increased likelihood of further transmission of infection	<p>A reasonable, practicable approach will be undertaken when administering first aid as this is likely to contradict distancing requirements currently in force. As an example, it would be deemed acceptable for an injured person to self apply plasters and wash small cuts and wounds. Where more serious injuries will be made catastrophically worse by not receiving first aid however, this must be deemed a more significant effect and first aiders should discharge their duties accordingly</p>
