

Welcome from all at Snettisham Beach Sailing Club

We hope you have great weekend of sailing and socialising

Please could you park in the places indicated on the attached plan. It is important that you do not take your car onto the area you are camping or further than the concrete ramp to the sea. We would rather not have any stuck cars this weekend!

Please leave your boats and trailers in the areas marked on the map.

Camping/accommodation – for information please contact Adrian via commodore@snetbeach.co.uk.

Motor Homes are now accommodated in the car parking area, not as indicated above. Please park sensibly and adjacent to other vehicles

Briefing will take place in the clubhouse at 16.00 on Saturday, as we plan to run as close as possible to schedule with the races in order to squeeze them in, with the available tide this weekend.

Food and refreshments will be available as follows:

Friday evening - bar open and evening meals

A Bacon roll and cup of tea/coffee will be available after sailing on Sunday 5th May. This is included within the entry fee for competitors. Additional food will also be available on Friday evening, Saturday after racing (please order when registering), Sunday brunch after racing and Monday brunch after racing.

The racing over the weekend will be photographed/videoed by the club and copies will be made available after the event.

If you have left at home things like sails, wetsuits, shoes, shackles or whatever please let us know and we will try to help sort things out for you. If there is anything we can do to make your visit more enjoyable or you need any other information, we are here to help. **Have fun on and off the water!**

Club Supernova sailors Stuart Moore, Paul Bloom and Warren Mitchell are your 'friendly faces' and first port of call for help during the weekend!
