

Supernova Announcement

Due to the unfulfilled demand for good second hand Supernovas Hartley Boats are introducing a once in a life time exchange boat deal.

This offer is designed to produce more boats for the second hand market and ensure those new sailors wanting to join our growing Supernova class are able to do so without having to buy a new boat.

This deal is also a wonderful opportunity for a existing Supernova sailor to acquire a New 2015 Supernova at great price without the worry of having to sell their old boat.

The Terms and Conditions of the deal are to Supernova Class Association Members only and are as follows

1. Deal runs from 1st November - 31st December 2014.
2. Boats will be on a first come first served basis this deal will be stopped when we reach our cut off level.
3. Just £250 deposit secures your boat just pick your colour.
4. Boat deliveries will be during the winter months.
5. Special Offer of £750.00 discount off the list price to Supernova Class members only.
6. Trade in value see below
7. New Epoxy Supernova boat cost

1. Supernova Complete Boat Inc Sail	£5995.00
